### Tarri Peterson

It has been a long struggle but we have all made it through the good times and the bad. We are all unique in our own ways. I have not known the students very long at Harwich but we will all share a special moment together. We will all go on to achieve what we want to some may go to college and some may be a sales person. Somewhere along the line we will see each other how much we have all gone different ways. Right now we all have to have what is in style but years down the road we will all look the same. We will see outside the walls of high school. The worries of the teenage years will be over there will not be worry about the clothes that we wear and the car that we drive. Good luck to every one!

As I look at the senior's picture in this book, I am happy that I got a chance to really know many of you. You should feel accomplished for your growth both academically and socially, and feel a sense of pride in your positive contributions to the life of Harwich High School. Your performance on the athletic fields and on stage gained our cheers, while your artistic and journalistic talents have brightened our days. Your contributions as members of the student council, school council, peer leaders, and spirit committee will have a lasting impact on future generations of students. You have had some wonderful experiences that will serve you well as you look past graduation day. My hope is that you continue to build friendships and your dreams. That in your search for self-fulfillment, there will still be room for caring about your fellow man, for caring about your environment, and for caring about the future generations of seniors. On behalf of the entire Harwich family, thank you for traveling on the same road for awhile.

## A few words from the coach

"The Girl's Tennis team completed a very successful Spring Season. The team won three of their last four matches to qualify for the State Tournament.

C. Peterson led the team and was a unanimous all league player. Seniors L. London and M. Heard both had very competitive years at second and third singles. The first doubles teams of A. Robinson and M. Heard became one of the best in the league. At second doubles A. White and K. Metzger were the most improved in the league. The team looks forward to a strong 2002-2003 season"

The Harwich High School Sailing Team completed its most successful season ever in the spring 2002. Sailing against most of the best schools in New England, we were 13-7 in team races, and the Cape and Islands League regular season champions (11-1). For the first time in our history, we qualified for the New England Team Racing Championships (one of only two public schools that qualified), and finished eighth. We also Finished third in the Massachusetts State Championships. This year's team, led by Captain Neal Donovan, and seniors Shawna O'Loughlin and Gina Legge, looks forward to another successful year.

"The Rough Rider Baseball Team once again proved it was one of the finest teams in the state. For the second consecutive year we lost the State Tournament in the South Sectional finals. We finished with an 18-6 record, second place, 10-4 in the league, in our first year in the South Shore League. We had one senior, Sean Cummings, who received rookie of the year honors. This team had extremely talented juniors. Capt. Cody Crowell, our South Shore League all-star, played on the Eastern Ma. and State all star team, pitching at Fenway Park. He was also a Boston Herald All Scholastic. Capt. Jared McGuire also was a South Shore League all-star, Eastern Ma. and State all star, and Boston Globe All Scholastic. The Boston Globe nominated him as New England male athlete of the year. Capt. Adam Laplante, one of our finest catchers in school history, was our third South Shore League all star. Our other talented juniors were John Barker Will Lazarescu, Floyd McIntyre, Tanner Paulini, Bryan Wade and Joe Zabielski, who received our Scholar-Athlete award. Sean Davis and John Hindle, sophomores and Adam McGillen, a freshmen, completed the strong talent on this team. We'll be looking forward to 2003."

Young in experience...but enthusiastic, energetic and eager to develop their individual natural Athletic talents. With a team of 16 Athletes and the possibility of 50 spots to compete in each meet the boys showed great teamwork and sportsmanship by volunteering to fill all the open track and field slots. Fun and camaraderie were the keys to a very successful track and field season. Team MVP Eric Burgess set a new school track and field record in the mile with a time of 4:29... beating the old mark by 10 seconds.

Eric Burgess. Stepping up to help the team to its eight victories was sophomore Sean Thibert who finished first for Harwich in every meet, gaining All Star status in the South Shore League. Stalwart performances were also contributed by seniors Nick Harwood and Matt McVickar, junior Sam Steen, sophomore Kyle Conner and Vahid Furblur, and freshman speedster Keith Ciccone. Cheryl Hooper continued the girls' team tradition of strong individuals competing well against larger schools. The team again exhibited exceptional sportsmanship and achieved Academic Honors.

This season, the Harwich High School Girls' Soccer Team competed in the South Shore League for the second year. Struggling to replace graduates from key positions, and trying to overcome injuries, the early season was difficult for the team. The league featured many excellent teams this year, but as the season progressed, our team competed more and more strongly with these tough teams. By the end of the season we were able to play even with any team, and concluded with highlight games such as the 2-1 win over Carver and a well-fought 3-1 loss to Norwell in the season finale. We were led this year by three fabulous captains – Keri Johnson, Katelyn Whelan, and Anna Clark. Keri was named a South Shore League All-Star. Great contributions were also made by Seniors Zoe Jenkins and Kate Bauer. Next year's team hopes to build on our improvement this year led by rising Seniors Alexandra White, Danielle Pitera, Kim Hewitt, and Courtney Chin. The team has a bright future in our large Junior and Sophomore classes led by Heather Mallory, Ashley Taylor, and Ashley Cook. --Coach Dickson

The men's soccer team had another outstanding year, finishing at 9-5-5. This team was one of the most talented we've had in recent history. We challenged the South Shore League for a league championship with one loss until the last week of the season, finishing in third place. At one point in the season, we went 12 games without losing. For the second consecutive year, we qualified for the state tournament, out scoring our opponents, 44-22. This year, we lost to Westwood in double overtime, 2-1. This team was led by our three captains, Joe Zabielski, Jared McGuire, Floyd McIntyre, and 6 outstanding seniors, Nate Keenan, Mike Melville, Scott McMahon, John Barker, Dan Burnham and Will Lazarescu. Jared McGuire, Joe Zabielski, Nate Keenan, and Mike Melville were voted on the league all star and Nate Keenan was selected to the Eastern MA. All Star team. The junior class gave us outstanding talent with Paul Laffin, Bob Reedy, Matt Sharp, Rory Kelleher, and John Hindle. The lone freshman, Ryan Soares, was solid all year long and will play a major role in our future. Many thanks go to our volunteer assistant coach, Bill Burke and to our manager Mike Kalil. --Coach Thacher

## FIELD HOCKEY 2002 A PERFECT SEASON

Eighteen exceptionally talented Harwich Field Hockey Players completed their year with their season forty game winning streak unchallenged. They have now won three consecutive league championships and have not had a season loss during those three years. After twenty-one wins they lost to state champion Watertown in the Eastern Massachusetts Championship.

The team was led by league all-star senior captains, Kirsten Costa, Nicole Leete, Regina Legge, and Meghan McGillen. This year's Riderettes scored 119 goals setting a state record, and had only 6 goals scored against them.

Kirsten Costa led the state in scoring for the second consecutive year setting a school record of 66 total points in one season. Kirsten was also selected Division II Massachusetts Player of the year. --Coach Poore

The Crusaders had a very successful season falling one game short of a super bowl invitation. Senior leadership was a strong suit throughout the entire season beginning with August's conditioning camp at Otis Air Force Base. Tough, hard-nosed football was characteristic of this 2002 Crusaders team. Several team records were established. Four shutouts were recorded against Blue Hills, Holbrook-Avon, Old Colony, and Tri-County. The Crusaders also produced its third 1000 + yard rusher in the last four years. --Coach Currid

*Look to this day! For it is life, the very life of life. In its brief course lie all the varieties and realities of your existence: the bliss of growth, the glory of action, the splendour of beauty. For yesterday is already a dream, and tomorrow is only a vision, but today, well-lived, makes every yesterday a dream of happiness, and every tomorrow a vision of hope. Look well, therefore, to this day! Such is the salutation of the dawn.*
